### Buy One, Get One Offer - Terms and Conditions

These are the terms and conditions for the Embarcadero [Buy One, Get One Free promotion](#).

- Offer only valid on New User and Upgrade products purchased between May 26, 2014 and June 30, 2014. Recharges do not qualify.
- Purchased product must be registered within 10 days of purchase, but no later than July 14, 2014.
- Free product must be redeemed by July 15, 2014.
- Offer void where prohibited by law.
- This offer cannot be combined with any other promotions.
- This offer only applies to standalone ESD Named User license types for both qualifying and free product. Network licenses are not eligible.
- Purchased and free products must be registered to the same end user.
- Purchased and free products are ESD download only.
- Purchased product cannot be discounted.
- Purchased product must be the most current version available on the price list at time of purchase in order to qualify for free product.
- Free product does not include maintenance, nor is it required, however maintenance for free product can be purchased separately at standard list price.
- Free product must be of equal or lesser list price value than the list price value of the purchased product (as determined by U.S. list price value as of April 2014).
- Free product cannot be the same as the purchased product, nor can it include the purchased product as a component, nor can it be included in the purchased product as a component itself, nor can it be a different edition or level of the purchased product.
- Free product must be the most current version available at the time the qualifying product is purchased.
- Embarcadero All-Access SKUs are excluded from this promotion as either the qualifying or free product.
- Multi-user license packs are not available as free products.
- When selecting an upgrade part as a free product, all normal upgrade terms for that product apply.
- Embarcadero reserves the right to change, cancel or amend offer at any time.
- Additional restrictions may apply.
